Dear Mr Smith

I am writing in support of the Abbeygate Picture House in Bury St Edmunds

Bury is a thriving town with a number of different potential cinema audiences to whom you could appeal.

The smaller picture house is not competition for a new multiplex and the Abbeygate Picture House is well located in the centre of town to be a commercially viable alternative venue for a different type of cinema experience, with a possible emphasis on the town's considerable non-teen audience.

Regards

Dr James Heathcote
