Sirs please note that the 2 cinemas in Bury st edmunds are completely different and there is simply no argument

The abbeygate offers its members a unique blend of ArtHouse movies Plus live Theatre and Ballet in comfort/its is an absolute gem and gratly admired by its patrons/the othe cinema is "popcorn paradise" and i for one will not visit it under any circumstances

There must be other things your august committee can take and interest in and
LEAVE US ALONE!! PLease
