Dear Sirs,

Anglo American (Tarmac)/Lafarge Merger Inquiry

The purpose of this letter is to respond to your letter of 19 September 2011 in relation to the proposed joint venture between Anglo American (Tarmac) and Lafarge.

Npower Limited is the current supplier of electricity to Anglo American (Tarmac) in the UK. We take the view that the proposed joint venture would not impact on our relationship with Anglo American (Tarmac). As such, we do not consider that we have anything to add in relation to your enquiries.

Yours faithfully,

Sarah Middleton
Client Director
